MUFI HANNEMANN MAYOR

June 26, 2009

The Honorable Todd Apo, Chair and Members Honolulu City Council 530 South King Street, Room 202 Honolulu, Hawaii 96813 JUN 26 4 28 PN 105

CITY CLERK
HONOLULU, HAWAII

Dear Chair Apo and Councilmembers:

Subject: Bill 14 (2009), CD2 Relating to the Legislative Budget for the Fiscal Year July 1, 2009 to June 30, 2009

Bill 15 (2009), CD2, FD1 Relating to the Executive Operating Budget and Program for Fiscal Year July 1, 2009 to June 30, 2010

I am returning, herewith, Bill 14 (2009), CD2 and Bill 15 (2009), CD2, FD1, unsigned. I am concerned that the budget is balanced with a real property tax program that does not include a tax credit. Providing for that credit would have been a simple and efficient mechanism to diminish the regressive nature of the property tax. It allows lower-income homeowners to pay a proportionately lower share of the tax.

Unfortunately, the effect of the Council's tax plan will be that owners of lower-valued properties will be subsidizing owners of higher-valued properties and investment property. And, this discrepancy will be even more pronounced for elderly homeowners.

Despite these concerns, I am appreciative that the Council's Budget Chair extended all courtesies to allow us to work with him to craft an expenditure program that ensures our ability to address the public's demand for basic public services and ensures the primacy of public safety.

In addition, I disagree with the manner in which the council has established tax rates by resolution. The action of adopting tax rates is a legislative act of the council and should be established by ordinance. I ask that the council promptly address this issue and I will support suitable legislation to correct this matter.

While I am advised that I am unable to take any action with respect to the Resolution establishing the tax rates, I still intend to address my concern with respect to the need to assist our lower income and elderly taxpayers. Consequently, I will be submitting for Council consideration a bill to establish a homeowner tax classification.

Yours truly,

Mufi Hannemann

Mayor

A BILL FOR AN ORDINANCE

SECTION 12. General Provisos.

(a) As used in this Ordinance:

"Agency" includes any department, office, board, commission, or other government unit of the City and County of Honolulu, as the case may be.

"Charter" or "RCH" means the Revised Charter of Honolulu 1973, as amended.

"City" means the City and County of Honolulu.

"Council" means the Council of the City and County of Honolulu.

"Government" means the federal government, the State government, the government of any other state, any political subdivision of any state, or any quasi-governmental entity.

"ROH" means the Revised Ordinances of Honolulu 1990, as amended.

(b) Limited purpose monies. The City may receive monies whose use is specified or otherwise limited by the monies' source from: (1) any governmental or quasi-governmental agency (2) any private source including monetary gifts whose use is specified by the donor or (3) any combination thereof. When such monies are received, the Director of Budget and Fiscal Services shall maintain special funds or accounts showing the monies so received and specifying the purposes for which they have been received and held.

All such monies specified in Section 2 through 10 of this ordinance are appropriated in the amounts and for the purposes set forth, and all expenditures shall be made as provided by law. All other such monies not specified in Section 2 through 10 of this ordinance and which are limited purpose monies are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved as provided in subsection (d). Should revenues from this ordinance or from elsewhere exceed the amounts specified, the excess is hereby appropriated and may be expended in accordance with the provisions of the monies' source and of this section; provided that: (1) the scope of the funded activity or project shall not be increased unless approved in accordance with subsection (d); (2) the excess monies are reported to the Council; and (3) when the funded activity or project is financed by both City and non-City funds and the revenues from a non-City fund source exceed the amount approved in this ordinance, the City fund appropriation shall be decreased by the amount of the excess revenues unless such decrease would jeopardize the receipt of the increased amount from the non-City fund source or the award of the contract.

The Director of Budget and Fiscal Services shall report to the Council no later than thirty days after June 30, detailing for the fiscal year just ended, the amount of any excess monies received, and the function, program, and activity to which the monies have been allotted for expenditure.

(c) Monetary gifts for unspecified purposes. The City may receive monetary gifts whose use is not specified or otherwise limited by the donor. All such monies are appropriated and may be expended by the City agencies included in this ordinance if the monies are approved as provided in subsection (d).

ORDINANCE	

Jersion F

A BILL FOR AN ORDINANCE

- (d) Subsection (b) monies received from grants or other agreements shall be subject to Council approval and shall be in accordance with Chapter 1, Article 8, ROH, if applicable. All other monies received pursuant to subsections (b) or (c), including appropriations or grants by the state government to the City, shall be subject to Council approval. Gifts shall be approved by the Council in accordance with Section 13-113 of the Charter and Council Resolution 05-349, CD1, FD1, or successor Council policy. The Council reserves the right to require any monies to be approved by an appropriate budget ordinance.
- (e) Multi-purpose federal monies. Multi-purpose federal monies are monies from the United States of America, which are allocated by formula entitlements and may be expended for multiple purposes. Such monies include Community Development Block Grant monies, HOME Investment Partnerships Program monies, Federal Transit Administration operating assistance monies, and monies via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time.

No expenditure of such monies shall be made unless the Council has authorized such expenditure by enactment of or an amendment to a budget ordinance appropriating such monies in accordance with applicable Charter provisions, ordinances, and other legal requirements. If such monies are received prior to an enactment of or amendment to a budget ordinance, the Director of Budget and Fiscal Services shall maintain such monies in special accounts showing the monies so received and specifying the purposes for which they have been received and temporarily held. A bill for an ordinance appropriating such monies shall be submitted to the Council as soon as possible following the receipt of such monies.

- (f) It is the Council's understanding that the City will be eligible to receive Community Development Block Grant funds and HOME Investment Partnerships Program funds under the American Recovery and Reinvestment Act of 2009 ("Act"). Because funds under the Act are subject to a stringent and expedited time table, the Council finds that the emergency nature of the federal funding under this Act requires the application of Section 13-122, Revised Charter of the City and County of Honolulu. Therefore, for funds received under the Act, the Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds, or incident to any receipt of funds for these and via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time, will jeopardize the availability and receipt of those funds. Accordingly, notwithstanding subsection 12(e) of this ordinance, for only those Community Development Block Grant funds and HOME Investment Partnerships Program funds to be received under the Act, pursuant to Section 13-122, RCH, the Council hereby waives Sections 3-204, 9-105 and 9-106, RCH, and authorizes all such reprogramming actions or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance to be taken by Council resolution.
- (g) For the purposes of this subsection, "City fund" excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or private trust funds.

In the event there are monies in any City fund that, in the judgment of the Director of Budget and Fiscal Services, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where, in the judgment of the Director of Budget and Fiscal Services, such action will not impede the necessary or desirable financial operations of the City, the Director of Budget and Fiscal Services may make temporary transfers or loans therefrom to the other funds of the City.

ORDI	NANCE	

Version F

A BILL FOR AN ORDINANCE

Within fourteen days of the transfer or loan, the Director of Budget and Fiscal Services shall report to the Council on: (1) the amount of transfer or loan required; (2) the reason or justification for the transfer or loan; (3) the total amount outstanding and unreimbursed in temporary transfers and loans after making the subject transfer or loan; and (4) the anticipated date of the reimbursement or repayment. The Director of Budget and Fiscal Services shall notify the Council of the reimbursement or repayment of the temporary transfer or loan as soon as such reimbursement or repayment is made. Such notification shall identify the source of funding of the reimbursement or repayment of the temporary transfer or loan.

All transfers or loans under this section shall be reimbursed or repaid no later than twelve months from the date on which the transfer or loan was made, unless a later date is approved by the Council by resolution adopted on one reading without publication. Interest may be charged if the monies originate from enterprise funds.

- (h) At the close of each quarter, the Director of Budget and Fiscal Services shall submit to the Council a Statement of Cash Balances by Fund showing for each quarter for each individual fund the cash balance at the start of the accounting period and the cash balance at the end of the period.
- (i) No transfer of funds shall be made from any activity, including the provision for salary adjustment and accrued vacation pay activity, unless such transfer complies with the requirements set forth in Section 2-17.2(c) of the Revised Ordinances of Honolulu.
- (j) If any portion of this ordinance or the application thereof to any person or circumstance is held to be invalid for any reason, the Council hereby declares that the remainder of this ordinance and all other provisions thereof shall not be affected thereby. If any portion of a specific appropriation is held to be invalid for any reason, the remaining portion shall be independent of the invalid portion and such remaining portion shall be expended to fulfill the objectives of such appropriation to the extent possible.

SECTION 13. Specific Provisos.

(a) Business improvement district.

For the purpose of this section:

- (1) "Business improvement district" or "district" means a special improvement district established during the fiscal year 2009-10 pursuant to an ordinance enacted in accordance with the Revised Ordinances of Honolulu.
- "Special assessment revenues" means the revenues derived from any special assessment imposed on real property in a business improvement district.

All special assessment revenues from a business improvement district which become available during the fiscal year 2009-10 are hereby appropriated to the district for that fiscal year, notwithstanding the absence of a specific appropriation in Sections 2 through 10 of this ordinance. The appropriated special assessment revenues shall be expended, without necessity of Council approval, in conformance with the ordinance establishing the district and the Revised Ordinances of Honolulu.

Any general or highway fund appropriation under Section 4 for a maintenance assessment district which is dissolved and succeeded by a business improvement district during the fiscal year 2008-09 shall be transferred and appropriated to the successor district in the amount specified in the ordinance establishing the successor district.

ORDINANCE	

Version F

A BILL FOR AN ORDINANCE

Any transferred appropriation shall be expended, without necessity of Council approval, for the successor business improvement district in conformance with the ordinance establishing the district and the Revised Ordinances of Honolulu.

Within 30 days of June 30, 2010, the Director of Budget and Fiscal Services shall report to the Council the special assessment revenue amount appropriated and general or highway fund amount transferred pursuant to this section. The report also shall identify the business improvement district which received the appropriated revenues or transferred funds.

(b) Transfer to transit fund.

Should monies received from the State of Hawaii for collection of the county surcharge on state general excise and use tax exceed the amounts specified hereinbefore in Section 1 and 10, the excess is hereby appropriated to the general fund and shall be transferred from the general fund to the transit fund. Within fourteen days of the transfer, the Director of Budget and Fiscal Services shall report to the Council on the excess amount(s) appropriated and transferred to the transit fund.

(c) Transfer to federal grants fund for grant advances

General fund monies transferred to the federal grants fund for grant advances may be appropriated and expended from the federal grants fund by the Director of Budget and Fiscal Services should advance funding be required to expedite federal Homeland Security Grant program expenditures. Reimbursements for general fund advance funding expenditures will be deposited to the federal grants fund to fund future advancements in the current and subsequent fiscal years. The Director of Budget and Fiscal Services shall maintain special accounts showing the monies advanced and reimbursed for the purposes authorized. General fund monies in the federal grants fund for grant advances shall be transferred back to the general fund when the Director of Budget and Fiscal Services determines that such monies are no longer needed for this purpose.

SECTION 14. The Executive Operating Program for the Fiscal Year July 1, 2009 to June 30, 2010, as transmitted to the Council in the Executive Program and Budget for the Fiscal Year 2010, Volume 1 (Operating Program and Budget), and as amended in any Executive Operating Program amendments, attached hereto and made a part hereof, is hereby incorporated by reference and adopted as an integral part of this ordinance. The detailed Statement of Revenues and Surplus contained therein may be further amended regarding any applicable fund by any amendment to the Executive Operating Budget ordinance, Executive Capital Budget ordinance, or Legislative Budget ordinance. In case of any conflict between the substantive provisions of the Executive Operating Program as transmitted and this ordinance or the above budget amendments, the provisions of this ordinance and any of the above budget amendments shall prevail, and the provisos contained therein shall have the same force and effect as the provisos contained in this ordinance.

SECTION 12. GENERAL PROVISOS

Amend section (f) to read as follows: "(f) It is the Council's understanding that the City will be eligible to receive Community Development Block Grant funds and HOME Investment Partnerships Program funds under the American Recovery and Reinvestment Act of 2009 ("Act"). Because funds under the Act are subject to a stringent and expedited time table, the Council finds that the emergency nature of the federal funding under this act requires the application of Section 13-122, Revised Charter of the City of the City and County of Honolulu. Therefore, for funds received under the Act, [The] the Council finds that the delay in program implementation incident to any reprogramming action pursuant to certain Charter provisions involving Community Development Block Grant funds and/or HOME Investment Partnerships Program funds, or incident to any receipt of funds for these and via similar federal and state assistance programs, which Congress or the Legislature may enact from time to time, will jeopardize the availability and receipt of those funds.

Accordingly, notwithstanding subsection 12(e) of this ordinance, for only those Community Development Block Grant funds and HOME Investment Partnerships Program funds to be received under the Act, pursuant to Section 13-122, RCH, the Council hereby waives Sections 3-204, 9-105 and 9-106, RCH, and authorizes all such reprogramming actions or receipt and expenditure of such funds in excess of the total amount appropriated by this ordinance to be taken by Council resolution."

Amend section (i) to read as follows "(i) No transfer of funds shall be made from any activity, including the provision for salary adjustment and accrued vacation pay activity, unless such transfer complies with the requirements set forth in section 2-17.2(c) of the Revised Ordinances of Honolulu."

Redesignate section (i) as section (j): "[(i)] (j) If any portion of this ordinance or the application thereof to any person or circumstance is held to be invalid for any reason, the Council hereby declares that the remainder of this ordinance and all other provisions thereof shall not be affected thereby. If any portion of a specific appropriation is held to be invalid for any reason, the remaining portion shall be independent of the invalid portion and such remaining portion shall be expended to fulfill the objectives of such appropriation to the extent possible."
